

Swarfega® DUCK OIL

Multi-Purpose Service Spray

PRODUCT DESCRIPTION

A silicone-free, non-conductive, multi-purpose service spray. Exceptionally low surface tension means it can easily penetrate and lubricate parts with no need to dismantle machinery.

INSTRUCTIONS FOR USE

Apply by spraying, dipping or brushing. Do not spray onto hot surfaces. For heavily soiled parts, degrease first with Swarfega® Jizer Parts Degreaser

HANDLING AND DISPOSAL

- Do not mix with any other materials. This material and its container must be disposed of in a safe way. Store in original sealed container below flashpoint (61 °C). If spilled, absorb with granules or sand – should not be allowed to enter drains or watercourses.
- For product safety information please refer to the Safety Data Sheet which can be downloaded from <https://www.scjp.com/en-gb/safety-data-sheets>

	DESCRIPTION	BENEFITS
FEATURES	Multi-purpose	Multi-purpose spray that aids 'damp-start' by displacing water. Lubricates and protects metal parts against rust.
	Displaces water	Blend of solvent and surfactant to aid damp starts by displacing water from sensitive areas.
	Releases seized parts	Penetrating oil to release corroded and seized parts.
	Penetrating oil	Flows easily into hard to reach spaces for lubrication and cleaning of delicate parts.
	Light degreaser	Can be applied with a cloth for use as a cleaner and degreaser.
	Broad compatibility	Compatible with a wide range of surfaces such as metal and glass.
INGREDIENTS	Silicone Free	Reduces the risk of silicone related compatibility issues, if in contact with surfaces prior to the application of paint or surface coatings.
